MANY DELEGATES COMING

Two Hundred and Fifty to Attend Annual Meeting on Tuesday.

With between 200 and 250 delegates in attendance the Junior Order of the United States, the insurance branch of the Junior Order, American Mechanics, will hold its annual session in the auditorium of the Young Men's Christian Association on Tuesday morning at 9 o'clock. The convention will last for three days only. The headquarters of the delegation will be in Hotel Richmond. The convention will be called to order by the local chairman, Mr. L. R. Smith, the opening prayer being offered by the Rev. C. H. Galloway. There will be addresses of welcome by Mr. T. Gray, of the association, and by Mayor Carlton McCarthy. Mr. George H. Want Higher Benefit.
The order was organized twenty-seven years ago in Philadelphia, as an insurance branch of the Junior Order, American Mechanics, without any direct connection with it except the insurance of its members. Many of the delegates arrived here yesterday afternoon. Others will reach here to-day by way of Old Point.

Officers of the association are George H. Harris, Philadelphia, president; Harry H. Powers, Bridgeburg, Pa., vice-president; C. L. Caldwell, Philadelphia, secretary, and Gustav Bachrach, Philadelphia, treasurer. The directors are Messrs. Louis E. Singer, Robert Carson, Theodore P. Rees, George W. Elbert, Marshall T. Farrar and Dr. John T. Sledge.

[Special to The Times-Dispatch.]
HIGH POINT, N. C., June 6.—W. L. Stamey, one of the five managers of Jurisdiction L, Woodmen of the World, comprising six States, has received official notification from Sovereign and State Manager E. B. Lewis, of Kingston, that North Carolina has been created a new jurisdiction, and hereafter be known as Jurisdiction W.

The first meeting under the new order occurs in Charlotte on Tuesday, Tuesday in March, 1909. The meeting place of Jurisdiction L is in Washington city the week of inauguration, 1909. NEED MONEY TO COMPLETE IT.

Funds Not Available for Furnishing New Raleigh School.

RALEIGH, N. C., June 6.—There is just completed ready for the furnishing a handsome public high school building, a half square from the Statehouse that will cost, furnished, more than \$20,000. However, owing to the financial complications it has been necessary to suspend work on this until some provision can be made for funds to equip the people of the city having a few weeks ago voted down a proposition to issue bonds for this purpose and to meet the deficit made by the closing of the dispensary.

The problem that is confronting the management of the schools is that in addition to not having money available for completing the high school building for use next year there is not money in sight to run the schools more than six of the usual nine months' term. The funds in sight for next year aggregate about \$39,000, while the estimated cost of operating the schools is \$52,000.

CATARRH OF THE STOMACH RELIEVED.

Perhaps No Medicine in the World Has Relieved More Cases of Catarrh of the Stomach Than Pe-ru-na.

The Symptoms of Stomach Catarrh Are Heaviness After Eating, Belching Gas, Sourness of the Stomach, Sluggish Bowels.

ALDERMAN GEO. W. WEICK, DENVER, COL.

"I HAVE USED PERUNA FOR CATARRH OF THE STOMACH AND IT HAS HELPED ME WONDERFULLY."

SOME OTHER STARTLING TESTIMONIALS.

ALDERMAN GEORGE W. WEICK, 1474 South Seventh Street, Denver, Col., Alderman Eleventh Ward, writes:

"I have used Peruna for catarrh of the stomach, and it has helped me wonderfully."

Chronic Stomach Trouble.

M. R. SAMUEL A. SEAL, Route 2, Treadway, Tenn., writes:

"It gives me great pleasure to testify to the great good your medicine, Peruna, has done for me in a chronic case of catarrh of the stomach. I was confined to my bed for some time, and could not sit up. I had tried everything that I could find recommended for catarrh, without any benefit. I tried the best physicians in Hancock county, with little or no benefit. I then tried two of the best physicians in Hawkins county, and found they were doing me no good. I was gradually growing worse.

"Then a friend of mine, passing by, handed me one of your pamphlets, and seeing how Peruna was recommended for catarrh, I sent to Rogersville, Tenn., next morning, a distance of about fifteen miles, and procured some of your Peruna, and began taking same according to directions, and after taking it a few days I began to get better.

"I continued using it until I was able to go to work on the farm again.

FOR EPILEPTIC COLONY

Site Opposite Lynchburg Will Probably Be Decided Upon.

[Special to The Times-Dispatch.]
LYNCHBURG, Va., June 6.—Dr. J. S. DeJarnett, superintendent of the Western State Hospital, at Staunton, and State Senator A. E. Strode, a committee named by the General Hospital Board to report to that body the best available site in Amherst county for the establishment of the proposed epileptic colony under the jurisdiction of the Staunton institution, will be ready to report at a meeting to be held here in about three weeks.

It is evident that the committee does not like the Murkland property which is located opposite the city, but it will be recommended, it is said, if Lynchburg will donate a tract of land, the State appropriation available for the erection of the necessary buildings is \$45,000, and it is believed the city will make the concession suggested.

Anniversary of the Death of Ashby Observed by the Order.

[Special to The Times-Dispatch.]
WINCHESTER, VA., June 6.—For the forty-fourth consecutive time Winchester today observed its annual Confederate Memorial Day. The orator of the day was Hon. Harry S. George Tucker, and the exercises in Stone- wall Cemetery, where rest hundreds of Confederate dead, were attended by a large assemblage. During the day thousands of visitors from far and near came to town, including scores of veterans. At noon a great parade of old soldiers, school children and volunteer firemen took place, and the Confederate graves were beautifully decorated with floral tributes.

Winchester claims to have been the first in the South to inaugurate a Confederate Memorial Day. The occasion is the anniversary of the death of General Turner Ashby, who fell at the battle of the Crosskeys on June 1st, 1862. Annually on this day the countryside and the northern half of the Shenandoah Valley empties thousands of its people into the city.
